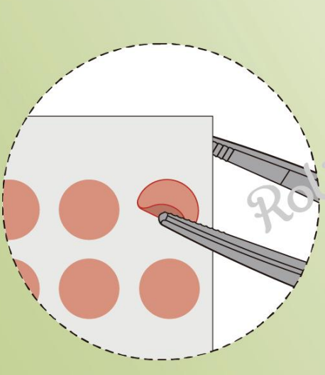
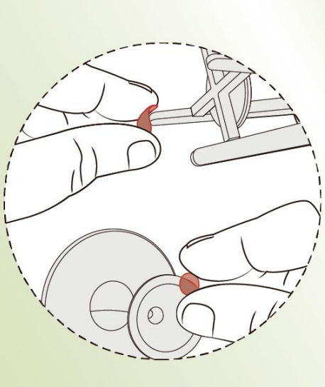
SUPER CREATOR

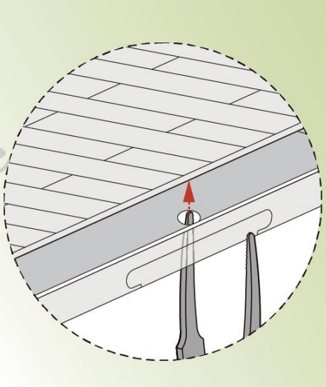
Assembly Tips



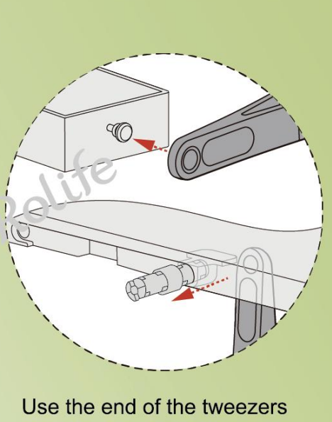
Remove the tape from the side with the tip of the tweezers.



Confirm the position first when sticking the tape on non-flat surfaces, and then remove the film.



Push upwards with the tip of the tweezers to remove the floor.



Use the end of the tweezers to remove the connecting nail or assemble small parts.

01 Notice

⚠ WARNING

- Not suitable for children under 3 years old.
- The product shall only be used with a transformer for product or a power supply for it.
- The product shall be used with the power supply supplied, if the transformer is supplied with the product.
