SUPER CREATOR

Assembly Tips

Remove the tape from the side, then open the package.

Confirm the number, then take sealing bag and open it from the side.

Pull carefully with the tip of the tweezers to avoid damage.

Use the tool in the tweezers to push the parts in the direction of assembly.

01 Notice

WARNING:

- Not suitable for children under 3 years old.
- Be careful not to cut the hand with the sharp edges of the cardboard and metal parts.
- Please keep the instruction manual for future reference as it contains important information.
- Please do not throw the instruction manual and packaging materials away before the assembly is complete.
- Please do not use sharp objects to open the packaging to avoid damaging the contents.
- The model requires the use of tools (such as tweezers, etc.) to assemble the delicate parts. Please do not use your hands directly to avoid damaging the parts.
- Please do not use excessive force when assembling to avoid damaging the parts.
- Please do not use water to clean the model to avoid damaging the paper parts.
- Please do not place the model in a humid environment to avoid damaging the paper parts.
- Please do not place the model in direct sunlight to avoid damaging the paper parts.
- Please do not place the model near heat sources to avoid damaging the paper parts.

NOTICE:

- Please read the assembly steps carefully before assembly, and follow the steps in order to assemble.
- Please do not throw away the packaging materials before the assembly is complete.

02 Load

- Please remove parts as shown in case of any parts missing.
- Put the tools used after use.
- Open packages in a clean environment.
- Put parts in the tray.
