Brief Introduction

WARNING:
- This product may cause a "Foreign Affirmation" ("Ci" hardness) if swallowed by children.
- When cutting by cleaning the materials, please clean carefully to avoid the cut wood chips from entering the eyes and mouth.
- Please keep the glue out of the way so that children can't touch it and put it in their mouths.
- Electrographic materials are to be removed from the toy before playing.
- Please keep the packaging and instructions for future reference as they contain important information.
- Please do not discard the small parts carefully in case of loss.
- Remove the protective material in time.
- Please use the glue in a well-ventilated area.
- Do not use tools or toy for purposes other than the intended purpose.
- Do not put plastic bags in your mouth.
- Do not use paint or stains to paint this. If the paint is damaged, it may contain lead.
- Some of the tools in the kit are sharp, please use them under the guidance of an adult and be careful when using them.

NOTICE:
- Children should be accompanied by adults while assembling.
- Please read the instructions carefully before assembling to make sure you understand the steps.
- Please check the parts list carefully to make sure the parts are complete before assembling. If missing, please contact us.
- Please keep the parts and tools properly to avoid losing.
- Please assemble and use them according to the steps in the instructions, otherwise it may affect the assembly and use.
- Please wear an apron when glue and paint.
- Please keep the glue and paint away from children.
- Please keep the work area clean and tidy.
- Please wash your hands in time after assembly.
